

Conserving the Land You Love

Preservation of Farmland Meeting Information

The "Preservation of Farmlands" outreach event on Thursday February 20 will be held from 6–8 PM in the Northern Neck Electric Cooperative meeting room located at 173 Pine Street, Warsaw, VA 22572 (which is the brick building at the corner of Pine Street and Belle Ville Lane).

The door for the meeting room has 'Auditorium' written on it.

There is a small parking lot next to the building entrance off of Pine Street. **Please** leave an unblocked pathway from Pine Street to the fence gate in case the trucks or linemen need to get access to the office after hours. There is also street parking.

This presentation is a casual open house format that works to share information about and answer questions concerning the conservation easement process. Current easement holders will be available to discuss the benefits of a conservation easement.

Call the office (804-462-0979) or email execdir@nnconserve.org to make a reservation no later than Tuesday February 18.

Light refreshments will be provided.

Hope to see you on the 20th.

Kirwan King, Board President
Elizabeth Friel, Executive Director
